

Banner Golf League

Banner Golf League Members:

The **2011 season** will begin on Saturday, April 2nd!

This season **Banner Country Club** will again be operated by Chris Lewis and his staff.

Below is an application for this year's membership and a schedule of events. The dates for May through the end of the season may have to change due to other tournaments at Banner. Updated schedules will be available at the Pro Shop throughout the season.

The membership fee will remain \$150. This fee includes the following:

- USGA Handicap
- Pro shop credit for any prize money won in league tournaments
- Cookout(s), which will be posted on the weekly Tournament Sign-up Sheet
- Yearend Banquet

The **Club Championship** will consist of 3 rounds: 2 qualifying rounds **declared by you to the pro shop prior to your round**, and the final round which will be flighted and played rain or shine, unless the course closed due to the weather.

The **Senior Club Championship (50 & OLDER)** will consist of 2 rounds: 1 qualifying rounds **declared by you to the pro shop prior to your round**, and the final round played rain or shine, unless the course closed due to the weather.

2 Person Best Net Match Play Tournament is also a major tournament. Major tournament winners receive a reduced league membership fee for the following season.

We are looking for **NEW MEMBERS**; bring friends, wives, sons and daughters. **If you bring in a new paid member, you will receive half off your membership dues.**

The league will be getting special rates this year for greens fees and carts, another reason to bring in more members.

Thank you,
Rick Dolce
